Assignment of Benefits: I authorize North Texas Hand Center, (NTHC) to submit claims on my behalf directly to Medicare/Medicaid/my private health insurance carrier. This means that NTHC will collect payment for supplies and services provided at the time of service. I understand that I am financially responsible to the provider for the charges not paid or payable. I authorize you to release any information necessary to insurance carriers regarding illnesses and treatment to process claims. This assignment will remain in effect until revoked by me in writing.

Patient Initials: _____

Consent for treatment. I consent for NTHC to administer treatments, tests and/or diagnostic tests to treat my/the patient's injury/illness on an outpatient basis. Treatments may include but are not limited to: administration of any needed anesthetics, performance of such procedures as may be deemed necessary or advisable in the treatment of this patient, use of prescribed medication, performance of other medically accepted laboratory tests that may be considered medically necessary or advisable based on the judgment of the attending physician or their assigned designees.

Patient Initials: _____

Durable Medical Equipment. Should it be required that a brace, splint or other durable medical equipment is prescribed by the physician, I understand that due to sanitary reasons, the item is non-returnable. I also understand that these items may not be covered by my insurance company

Patient Initials: _____

Phone Calls. By providing contact information, I authorize NTHC, and its assignees to use the contact information I have provided to communicate with me and to place calls to my home/cellular/employment telephone; leave voice or text messages; and use pre-recorded/artificial/voice messages and/or auto-dialing devices in connection with any communication to me.

Patient Initials: _____

Involvement of Others in Care. I authorize NTHC to discuss my/the patient's care and medical needs with the following person(s)

Name	Date of Birth (for identification)	Relationship	Phone

May We Contact You by Phone and Leave a Message About Your Care?

FOLLOW MY HEALTH PATIENT PORTAL

This portal is only for sending and receiving secure emails.

It is not for medical or prescription information

What Can I NOT Do?

Medication List and Health History – THIS INFORMATION IS NOT TRANSMITTED

These tabs are for your record keeping only. Information that you enter in these fields does not transfer to our office. It is a tracking tool for you.

IT'S PRIVATE: Secure messaging ensures privacy between you and your physician

MORE CHOICE: Gives patients a new way to communicate with their doctor

How to Register for a Portal Account

Just follow these simple steps to get connected today!

Check your email. You will receive an email from “noreply@followmyhealth.com.” Click the registration link and follow the onscreen prompts.

Click Sign Up and Connect. If you already have a portal account and want to add an additional provider, click **Sign in and add this connection.**

Create a username for your portal account. By default, your email address that your invitation was sent to will appear in the username box. It is recommended to use this email address as your username.

Next, **create a password** following the criteria noted on the right of the screen.

Reenter your password to continue.

Get Connected. Follow the on-screen prompts on the next four screens to complete your connection. These screens include accepting our **Terms of Service**, entering your **Invite Code** and accepting the **Release of Information.**

Registration and Connection is Now Complete. Your health record will now begin to upload. Please note this may take a few minutes.

View the First Time Walk-Through Video. Learn about all the tools your portal has to offer by watching the 3-minute video that appears when you first log in. If you wish to view this video later, you can always access it by clicking on the My Account dropdown in the right hand corner and selecting Preferences.

Congratulations! You can now access your health information and start managing your care online!
